Evening view of the Chapel of our Lady of Dolours at Queen's Road (Marine Lines) in Bombay circa 1915. Originally built in 1833, it was rebuilt in 1906. Situated at the turn of the busy arterial road to a local side lane, the front has been extended at ground floor only to secure & shade these 3 arches by controlling the entrance through just one main door. Notice the deep shading canopy added to the upper-level windows for protection from the warm evening sun and heavy monsoon weather.

INNER HEALING SERIES

We conducted an inner healing series through August and October. Sr. Odette Gonsalves from the inner healing team was invited to conduct the series. Her topics covered Gods Love, Sin and Repentance, Forgiveness. In October we learnt the consequences of our deep inner wounds and hurts and a live demonstration on how to get rid of our wounds was shown through the Forgiveness Therapy. We also had a live washing of the feet session, physical healing session and finally concluding on 30th October with the Baptism of the Holy Spirit. We invite all our parishioners to attend our prayer meetings and also if there is any special prayer need, we will be happy to pray with them.
