

NOVENA TO OUR LADY OF DOLOURS

Queen of Martyrs and Mother of God we choose you today as our ideal, patron and advocate. In your pure heart, do we place our souls. We consecrate ourselves to your service. Loving Mother may we always be known as servants of Mary. As you stood by the Cross of your Son so stay by us always. With deep sorrow in our hearts

we ask you to obtain for us the forgiveness of all our sins. Jesus Mary and Joseph, may we live close to you and die in peace. Most Blessed and Sorrowful Virgin Mary you courageously stood by the Cross watching the suffering of your Son, look upon us your children gathered here today. Compassionate Mother, have pity on us. Knowing that your Son never refuses anything you ask Him, we come before you and pray. (Pause to make your own intention). To whom shall we go, O Merciful Mother? You are our life our sweetness and our hope. Pray for us and obtain for us these graces. We make our prayer through Christ our Lord. Amen.
