

NOVENA PRAYER FOR THE NATIVITY OF OUR LADY

Mary our Mother, as we prepare to celebrate Your Birthday, we entrust into your loving hands our parish family and pray that you will continue to strengthen our parish, making it a community of love and service.

We lift up to you all married couples, youth, children and Senior Citizens. May they be obedient to God's will just as you were. We pray for the sick, poor and lonely. That they may place their hope in Jesus as you did. May the Spirit of God that filled and inspired you, guide the activities of our Small Christian Communities, Associations and Institutions. Loving Mother, intercede for all our intentions and after a fruitful life here on earth show us the blessed fruit of your womb, JESUS. Amen.
